

# Barney's Rugby Run

We are proud to support Barney's Rugby Run, which is being taken on by Duncan Nealon, the Director of Banana Moon Day Nursery in Harbury. Duncan also plays for Claverdon RFC, which Banana Moon Head Office sponsors.

Duncan is raising money for Meningitis Now by running the London Marathon on 26th April 2020 in memory of Barney Adlington, who died from meningitis at the age of three and a half. Duncan is also looking to break the world record for the fastest marathon run in full rugby kit!

Please help us spread the word, and if you want to donate, you can do so here:
